

2001 SUMMER CAMPS FOR THE DEAF OR HARD OF HEARING CHILDREN

From
Info to Go
Laurent Clerc National Deaf Education Center

The following list identifies camps, family learning vacations and remedial clinics for deaf and hard of hearing children. Some programs are designed for the entire family. Most camp programs require a small application fee to accompany the completed application. Contact the camp sponsor directly for more information about their program.

TTY, TT, TDD are common acronyms for text telephones, devices that enable deaf and hard of hearing people to type conversations over the phone. This publication uses the code T for text telephone and V for standard voice phone.

If you are aware of other camp programs for deaf and hard of hearing children that are not on the list, please let us know.
